NYHET 2012

It's here ... soon!

Paragon 25 Ranger

World premiere march 2012 in Stockholm, Allt för sjön

Ever since the start of Paragon Yachts we have had an itching idea in the back of our minds, the open version Paragon. Now it's here, the Paragon 25 Ranger! The Ranger is for those of you who rather dress for the occasion and want to experience the sea without a roof over your head. Built with all the ingredients of the Paragon philosophy but more extreme. It's the boat to challenge nature all-year-round. Do you dare?

Prel. specs. Lmax. 8,52 m, Bmax 3,00 m, Weight 3 370 kg, Draught 0,9 m,
